

## **Information and Application Fact Sheet**

St. Vincent's HealthCare operates two hospitals, outreach programs, and a number of primary care facilities in Jacksonville, Florida. Our NAACLS accredited program is based in St. Vincent's Medical Center, a 516 bed hospital located on the banks of the St. John's River in the historic Riverside district south of downtown. Our program accepts two classes of students per year, one beginning in January and the other in late June, with a maximum of 5 students per class.

### **Our Mission**

To witness to the healing ministry of Christ by providing a quality educational program in an atmosphere that fosters respect and compassion.
