

10th Annual Delicious Destinations Raises More Than \$280,000 For St. Vincent's Community Health Outreach Ministries

The 10th Annual *Delicious Destinations*—*Jacksonville's Premier Food & Wine Event*, held September 8–10, 2011 at Ponte Vedra Inn & Club, raised more than \$280,000 to benefit St. Vincent's Community Health Outreach Ministries. The generosity of our wonderful sponsors and donors helps St. Vincent's continue offering no-cost medical care to the underserved and underinsured through programs such as Mobile Health Outreach Ministry, Seton Center for Women & Infants Health, Mobile Mammography, the School Nurse Program, and more.

The beautiful and unique themed décor for **Delicious Destinations Up, Up, & Away—Vineyard Views!** included vintage hot-air balloons, picturesque vineyard images, and amazing floral arrangements. More than 300 guests enjoyed the festivities with Event Founding Sponsors Ponte Vedra Inn & Club and Southern Wine & Spirits, In Partnership With Miller Electric Company and THE PLAYERS®. The Celebrity Chef By the Sea Reception & Luncheon, sponsored by Heekin Orthopedic Specialists, treated guests to an entertaining food and wine presentation by Chef John Ash and Wine Educator Luis Torres. On Saturday night, more than 10 chefs from the region's best four and five diamond resorts prepared their exciting signature dishes which were paired with exquisite wines provided by Southern Wine & Spirits.

Thank you to the sponsors, donors, staff, volunteers, and the energetic, dedicated committee members who helped make *Delicious Destinations* a success!
