Robert T. “Bob” Shircliff  
J. P. “Pat” Thornton  
Michael J. Zambetti  

**St. Vincent’s Foundation Receives Sister Mary Walter Boyle Excellence in Philanthropy Award!**

The Ascension Health Council on Philanthropy (AHCOP) presented the St. Vincent’s HealthCare Foundation with the prestigious “Sister Mary Walter Boyle Excellence in Philanthropy Award” on September 28 at their annual conference held in Jacksonville, FL. The award, which recognizes a significant accomplishment of a hospital, foundation, or healthcare institution affiliated with Ascension Health, is named in honor of Sister Mary Walter Boyle, DC, one of the pioneering development professionals in healthcare philanthropy. This award celebrated the successful completion of St. Vincent’s Foundation’s two capital campaigns within an 18 month period for construction of St. Vincent’s Medical Center Clay County, which opened in October of 2013, and the new J. Wayne and Delores Barr Weaver Women and Infants Pavilion, which had its groundbreaking on May 22, 2015. Jane R. Lanier, CFRE, President of the St. Vincent’s HealthCare Foundation, accepted the award on behalf of her staff and Board, which raised $11M for the new J. Wayne and Delores Barr Weaver Women and Infants Pavilion in less than one year, exceeding the original $7M goal by $4M! Thanks to the generosity of St. Vincent’s donors, underserved residents in Clay County will now have access to the safe, quality medical care they need closer to home, family and friends.

The Ascension Health Council on Philanthropy 41st Annual Conference brought almost 100 development professionals from across the country together to learn from industry leaders and share best practices with each other. After opening remarks from Tony Tersigni, President and CEO of Ascension, and Bob Henkel, President and CEO of Ascension Health, conference participants heard from speakers about a variety of topics, including “Leveraging Executive, Board & Physician Engagement in Healthcare Philanthropy” and “Benchmarking, Best Practices in Healthcare Fundraising”. A beautiful Benefactor’s Mass at Our Lady Star of the Sea Catholic Church preceded the dinner and presentation of the Sister Mary Walter Boyle Award.
CELEBRATING 100 YEARS

How We Began...

In 1916, the Daughters of Charity arrived by train in Jacksonville from Emmitsburg, Maryland which is just outside Baltimore. They had been invited by city leaders to take over the struggling DeSoto Sanitorium in the Springfield area. It was not their first time in Jacksonville. Eighteen years prior, in 1898, the Daughters had cared for soldiers in the Spanish American War here on the First Coast. City leaders recalled their dedicated service and called on them once again in May 1916. Two months after taking over the sanitorium they renamed it St. Vincent’s Hospital.

When the Daughters arrived, they had many surprises. Some of these instances are noted in several letters that document the start of their Mission work here. For example, the humidity wreaked havoc on their lovely starched linen cornettes. They described the heat being nearly unbearable in their all-wool habits. One of the sisters, in a letter to her parents, remarked about the size of the mosquitos. Bishop Michael Joseph Curley presented the Daughters with a welcome package including a basket of fresh oranges and a palm tree for them to plant, which the sisters accepted gratefully.

100 Years of Faithful Service...

Today, St. Vincent’s holds true to its Mission established by the Daughters so long ago. Our focus remains to provide quality, compassionate care with special attention to those who are struggling in our community throughout North Florida and South Georgia. St. Vincent’s has been a part of so many lives over the past 100 years. We have cared for thousands upon thousands of our neighbors and look forward to continuing this important work.

What is your St. Vincent’s story? We would love to hear from you. Please contact Kate Phelan at 904-308-8694 or email: Katherine.Phelan@JaxHealth.com to share your St. Vincent’s Story in honor of 100 years of Faithful Service.

Preparations for St. Vincent’s Foundation’s 35th Annual Red Rose Ball are underway. The event will be held at the Jacksonville Marriott at Southpoint on February 12th, 2016, as St. Vincent’s celebrates its 100th anniversary. Chairing the 2016 Red Rose Ball are Rhonda & Mark Mostovych, MD, Rosalind & Mark Travis, and Jan & Lou Walsh, along with the Honorary Chair, Sister DeSales Wisniewski, D.C.

“The Red Rose Ball is a wonderful event which helps us fulfill our Mission to provide compassionate care to all people in our community, no matter where they are in life,” said St. Vincent’s HealthCare Foundation President, Jane R. Lanier, CFRE. “Each year, our sponsors and patrons help us raise necessary funds for programs that help make our community healthier for all.”

This year, all proceeds will benefit the St. Vincent’s Mobile Health Outreach Ministry, which provides free medical care to those who are struggling the most, including uninsured or underinsured men, women and children throughout the area.

This year’s theme will focus on the 100th anniversary of St. Vincent’s, founded by the Daughters of Charity in 1916 to provide health services to the communities in North Florida. The event will feature a cocktail hour, dinner and dancing, as well as live and silent auctions.

For more information about the Red Rose Ball, including how to make reservations or to become an event sponsor, contact Jessica Waugaman at St. Vincent’s Foundation at 904-308-7306 or Jessica.Waugaman@JaxHealth.com.
The Carol Wilder Pitman Nursing Recognition Society Welcomes Four New Members

St. Vincent’s is blessed to have countless caring and compassionate nurses. The Carol Wilder Pitman Nursing Recognition Society recognizes direct care nurses who exemplify St. Vincent’s Core Values by providing compassionate nursing care. Last year marked the 11th year that we have honored a nurse from each of St. Vincent’s 4 campuses with induction into this society. Nurses are nominated by their peers and selected by a panel of judges to receive this honor. The following are criteria for selection: practices patient-centered care in the changing healthcare environment; leads by personal example and a positive spirit; consistently meets patient and family needs through integration of skills, knowledge, professionalism, compassion, and tenderness; and overcomes challenges through a positive, caring, and nurturing attitude for the benefit of others. Mrs. Pitman, a graduate of St. Vincent’s School of Nursing, established this society many years ago as a way to show appreciation to our wonderful nurses. On November 12th we honored many nominees and recipients of this year’s awards. New members of the Carol Wilder Pitman Nursing Recognition Society include Noni Harris, RN, Clay County; Holly Sutherland, RN, BSN, Riverside; Adam Tozier, RN, BSN, CCRN, Southside; and Brenda Hollis, LPN, St. Catherine Labouré Manor. We would like to thank both the honorees and the nominees for their hard work and dedication to St. Vincent’s Mission.
The 7th Annual Daily’s THE TRADITION had another successful tournament on October 19-20 at TPC Sawgrass. Golfers enjoyed playing the Stadium and Dye’s Valley Courses over the two day tournament in perfect weather. Monday night, guests were treated to a delicious dinner and heard PGA Tour Member and 2014 FedEx Cup Champion Billy Horschel talk about life as a professional golfer. This exclusive event raised more than $450,000, which will benefit St. Vincent’s Mobile Health Outreach Programs. We appreciate the support of our friends and sponsors who helped make this event a success!

St. Vincent’s is known for its outstanding physicians and associates. Many of our doctors have interesting hobbies and talents. Dr. Stanton Longenecker is known throughout North Florida as an outstanding orthopedic surgeon; but throughout the country he is known for his award-winning Morgan Horses!

Dr. Longenecker has owned Morgans for almost 5 years. His horses have won countless awards, including 2 world championships. Morgans, known for their strength, speed, and beauty, are special animals. Dr. Longenecker and his wife Susie couldn’t help but fall in love with their horses, SLB Valedictorian and Boxford Retro Chic.

The Longenecker’s horses are treated like family. SLB Valedictorian, affectionately nicknamed Tori, was acquired almost 5 years ago as their first horse. Dr. Longenecker saw something special in him and knew he was destined for greatness. Not only is Tori a world champion, he has a sweet disposition and humorous personality that keeps the Longenecker’s on their toes.

And just recently, Tori was named the Park Harness Morgan Horse of the Year by a vote of over 1,000 professional horse trainers!

Owning and showing Morgans is a family affair for the Longeneckers. They travel all over the United States for competitions, but are happiest at the family farm in Kentucky, or at their training facility in Ohio. Dr. Longenecker enjoys flying up there often, which is made easier by the fact he pilots the plane himself!

In 2016, his female horse is headed for retirement as his male horse prepares to travel the country. Dr. Longenecker plans to personally take him to shows across the U.S. from New England to Oklahoma City. Best of luck to the Longeneckers and their champion horses!
Corks and Forks 2015

St. Vincent’s Foundation’s Inaugural Corks and Forks, Clay County’s Charity Masquerade Benefit was a smashing success! Held at The Club Continental on October 23rd, this premier food and wine event showcased creations from 9 of the most talented chefs in Jacksonville. Guests enjoyed sampling various delicious dishes and expertly paired wines, and danced the night away under the stars with the KTG Band. It was a beautiful event, which raised more than $200,000 to benefit St. Vincent’s Clay County’s outreach programs and hospital expansion. We hope to see you next year on November 11, 2016! Please contact Kathy Sutton at Katherine.Sutton@JaxHealth.com or 904-308-7338 for sponsorship information.

St. Vincent’s Foundation’s 14th Annual Delicious Destinations was held September 10-12 at the Ponte Vedra Inn and Club. “Jacksonville’s Premier Food and Wine Event” welcomed chefs from all over the East Coast, who shared delectable food and wine pairings with over 300 guests on Saturday night. Guests at Thursday’s Celebrity Chef Luncheon were treated to an outstanding menu, compliments of Chef Jean Pierre of Chef Jean Pierre’s Cooking School in Ft. Lauderdale. We would like to thank the chefs, our outstanding chairs, and our sponsors for supporting this important event. Delicious Destinations raised more than $300,000, which will benefit St. Vincent’s Community Outreach Programs. We look forward to another great event in 2016, so mark your calendars for September 8-10, 2016! Please contact Jessica Waugaman at 904-308-8896 or Jessica.Waugaman@JaxHealth.com.
