Dear Friends:

The 100th Anniversary of the founding of St. Vincent’s by the Daughters of Charity has brought many smiles to our community. St. Vincent’s differentiates itself by owning and operating the many outreach programs that serve the children and families throughout the five-county area. Thousands are served each year by St. Vincent’s programs that bring access to medical care close to their homes, schools, churches, and neighborhoods.

Since 1916, the Daughters of Charity have urged us to bring quality, compassionate care to everyone when and where they need it most. We continue to do this today, with special attention to the poor and those in our community who are struggling the most.

As we begin the next 100 years, we have great plans to continue the legacy of our past and to embrace our vision for the future. We plan to include many new ways to bring wellness and good health as well as healing in times of illness.

We plan to work with dedication and prayerfully meet the needs of the individuals and communities we serve. We can only do this together with you, our donors, leaders, and friends. Thank you for your steadfast work, trust, and investment in the past and in our future together.

Blessings, Happy Hanukkah, Merry Christmas, and Happy New Year.

Sincerely,

Debbie Gottlieb

The Mary Awards

Do you know a senior in high school who serves God and their neighbor through their faith community?

The Mary Awards is celebrating its third year. Nominations will open on January 1, 2017. These awards were created to recognize young women who promote the values, lifestyle, and leadership that represent positive role models. Four young women are chosen as recipients in the categories of Academics, Athletics, Leadership, and Volunteerism/Philanthropy.

We are proud to honor our 2016 Mary Awards recipients, Abigail Fagan, Leadership; Catherine Lewis Maige, Volunteerism/Philanthropy; Annie Pipkin, Athletics; and Cassia Wang, Academics. We applaud the character and values of these outstanding young women!

Our Mary Awards recipients from years past have gone on to do amazing things. For example, college sophomore Rachel Sowell, Mary Awards 2015 recipient in the Athletics category, is a successful student athlete at the University of Alabama. Rachel rows on the Women’s Varsity Rowing Team and is a member of Gamma Phi Beta sorority. Rachel said, “The Mary Awards was such a blessing in my life. I was able to connect with such a diverse group of women who are full of wisdom and joy. I was inspired not only by their love for God, but also by their passion for young women like me. I am so honored for the opportunity that I had in being one of the recipients of this beautiful award.”

The Mary Awards will be held April 20, 2017 at the San Jose Country Club. We invite you to nominate a deserving senior in high school by visiting www.jaxhealth.com/MaryAwards beginning January 1, 2017.

Some of the many services for women provided by St. Vincent’s are:

- Digital mammography, ultrasound imaging, breast biopsies and bone density imaging
- A Breast Health Advocate helps women navigate the journey of a breast cancer diagnosis and provides emotional support
- Breast health awareness events including screening mammograms
- A women’s surgical center with a multi-disciplinary team approach in a setting designed for the special needs of women
- A Family Birth Place at each hospital that provides excellent care to mothers and infants
- Prenatal care for expectant mothers regardless of their ability to pay and continuous support throughout the baby’s first year of life
- Host of The Mary Awards which honor girls in their senior year of high school (of diverse faith experiences) who excel in academics, athletics, leadership and philanthropy

Delicious Destinations 2016

St. Vincent’s Foundation held its fifteenth Annual Delicious Destinations event September 8-10 at the Ponte Vedra Inn and Club. “Jacksonville’s Premier Food and Wine Event” welcomed chefs from all over the East Coast, who shared delectable food and wine pairings with more than 300 guests on Saturday night.

Guests at Thursday’s Celebrity Chef Luncheon were treated to an outstanding menu, compliments of Chef David Guas, host and co-judge of “American Grilled” on the Travel Channel, and Chef/Owner of Bayou Bakery, Coffee Bar & Eatery, in Virginia & Washington DC.

We would like to thank the chefs, our outstanding chairs, and our sponsors for supporting this important event. Delicious Destinations raised more than $335,000, which will benefit St. Vincent’s Community Outreach Programs.

We look forward to another great event in 2017, so mark your calendars for September 7-9, 2017!

St. Vincent’s Foundation and Daily’s hosted the eighth annual Daily’s THE TRADITION golf tournament on September 19-20 in beautiful Sea Island, Ga. Golfers enjoyed playing the exquisite Seaside, Plantation, and Retreat Courses over the two day tournament in perfect weather conditions.

Monday night, guests were treated to a delicious dinner and heard from Major Dan Rooney about his organization, Folds of Honor, which provides scholarships to spouses and children of service members who lost their lives or were disabled in their service to America. Under the leadership of committee chair, Jason Burhyte, and Daily’s President and CEO Aubrey Edge along with his team at Daily’s, the eighth annual Daily’s THE TRADITION was a roaring success. This exclusive event raised more than $365,000, which directly benefits St. Vincent’s Mobile Health Outreach Programs.

Two new mobile vans were unveiled at the tournament. We send a heartfelt thank you to all the sponsors who are making healthcare possible for thousands of children and families on St. Vincent’s new mobile health vehicles.

Please mark your calendars for next year’s tournament at TPC Sawgrass on October 2-3, 2017!
The Physicians Giving Society’s Annual Physicians Cup Golf Classic is held each spring at the Timuquana Country Club. This year, the tournament was held on April 25, 2016. Co-chairs Brett Cantrell, M.D., Stephen Kuehn, M.D., and Michael Phelan, M.D. ensured the tournament was a success, raising more than $37,000 for the physician’s endowment. Grants are provided each year from this fund to provide better and safer patient care across all of St. Vincent’s.

On August 12, 2016, St. Vincent’s HealthCare Foundation hosted the Physicians Giving Society’s Annual Celebration at the Baseball Grounds of Jacksonville. Everyone enjoyed bringing their families to see the Jacksonville Suns take on the Mississippi Braves. Elizabeth & Tony Magnano, M.D., and Sala & Ash Pradhan, M.D. served as the chairs of this year’s fun event.

St. Vincent’s is blessed with generous physicians who help St. Vincent’s Foundation bring hope and healing to our community each and every day!
