St. Vincent's Clay County Receives Gift from Reinhold Foundation and Family

Jacksonville, FL (January 2, 2013) – St. Vincent's HealthCare is proud to announce a generous gift from the Reinhold Foundation and the Reinhold Family, longtime friends of St. Vincent's HealthCare. The donation will help support the construction of St. Vincent's Medical Center Clay County, which will officially open its doors to the people in Clay County in October of this year.

“St. Vincent's is looking forward to expanding our Mission into Clay County by bringing high quality, compassionate care to one of the fastest growing communities in the region,” said Moody Chisholm, President & CEO of St. Vincent's HealthCare. “St. Vincent's Clay County has been a vision for many years and the Reinhold family is helping to make that dream a reality.”

“The Reinhold Foundation and Reinhold Family have a long legacy of loyalty to the Clay County Community,” said Jane R. Lanier, CFRE, President & Chief Development Officer of St. Vincent's HealthCare Foundation. “The Reinhold name is synonymous with generosity in Clay County and their gift of \$500,000 will help us bring our Mission of faith-based healing to this community.”

The St. Vincent's HealthCare Foundation will recognize the Reinhold Foundation and Reinhold Family gift with the naming of the Medical Mall at St. Vincent's Clay County. It will be named in recognition and memory of the family's grandparents, Paul E. and Klare N. Reinhold. Major services such as imaging and surgery will be accessed from the Paul E. & Klare N. Reinhold Medical Mall.

“Paul and Klare Reinhold believed in helping Clay County reach its greatest potential and we are proud to carry on their tradition with this gift,” said J.F. Bryan, Chairman of the Reinhold Foundation. “We cannot think of a better way to honor their memory than by naming the area that will welcome our friends and neighbors into the hospital.”
